Hello,

This was my last class in pursuit of the UX certificate so I wondered why that didn't follow but looking back at my classes, I see I don't have a final word from Information Architecture so I thought I'd ask if there was a delay or a glitch?

Web Accessibility: Techniques for Design and Testing

Thanks for participating in our online course in July. We hope it was a good educational experience for you.

Your login for the course will remain active indefinitely, so you can continue to access course materials, feedback, and discussions.

You can download your certificate of completion, which documents your CEUs. To get your certificate, point your browser to:

<http://libraryjuiceacademy.com/certificates/201907/kevin.french.201907.pdf>

If you would like a printed certificate suitable for framing, get back to us with your mailing address and we will be happy to send it.

We would like to ask for your public feedback on the class, and have set up a blog post that is intended to collect your feedback, or reviews of the class, as comments. You are invited to post your comments at <http://libraryjuiceacademy.com/news/?p=729> .

If you would like to leave private feedback, feel free simply to send it in a reply to this email.

New: We have a mailing list to advertise our courses. If you would like to sign up, go to:
<http://libraryjuiceacademy.com/maillinglist.php>

Thanks again and I hope you'll be back for another class.

Sincerely,

Rory Litwin
